Ang pamilyang ito ay naniniwalang
Situation

Solution

Decision

Step 1: Explain

Explain the mechanics of the sticker: all families who have the desire to acquire a toilet in the home, and who believe that a household toilet leads to UNLI Asenso will be given a sticker for display outside their homes to signify their commitment to owning one.

Step 2: Relate

Give them a sticker (where applicable). You may wish to stick it onto the house yourself.
