**Step 1: Ask**
- How do they understand the visual? Is the pictured scenario relevant to them and their community?
- What do they think is the benefit being discussed?

**Step 2: Listen**
Listen to their replies.

**Step 3: Explain**
Explain the intended benefit communicated by this slide.

**SAFETY / KALIGTASAN / KALUWASAN**

**Step 4: Relate**
Relate the benefit to their experience, based on what they may have discussed:
- Have you or your children ever experienced:
  - Having to wait until morning even when you already felt the need to defecate during the night?
  - Having to wait for the cover of night because you did not want to be seen defecating during the day?
  - Being peeped on (especially for the girls or women) while defecating?
  - Being bitten by a snake or attacked by any other creature?
  - What did you or your children feel when this happened?
  - Having a toilet in the home means safety from the rain, snakes, peeping toms, even supernatural creatures!
